Commitment to Community

Commitment to Community

[Home](#) / [About Us](#) / Commitment to Community

Our commitment to the community is home-grown.

We live and work in New England.

New England. It's where we work, live, and play. That's why we're dedicated to investing in our communities and giving back to the region that's so important to us. Across the Northeast, we're proudly involved with causes close to our hearts – especially education – through financial contributions and volunteerism.

We support not-for-profit organizations and community groups focused on community betterment and the following types of causes:

Building better communities, such as historical societies, 4-H programs, parks, festivals, and athletic boosters.

- Basic human needs, such as affordable housing and food banks.
- Education, including universities, scholarship programs, and industry associations.
- General health and wellness programs, including societies and associations dedicated to disease research.
- Music, theater, and the arts.
