

Don't Forget to Take Advantage of Identity Theft Resolution Services With CyberScout

With unemployment fraud, stolen devices and scams exploiting the coronavirus (COVID-19) on the rise, protecting your personal and private information has never been more important.

That's why we want to remind our agency partners of the identity theft prevention and resolution services available through CyberScout, our identity protection partner. These services are provided completely free of charge to all Patriot Insurance agencies, your families, agency staff and personal lines policyholders. And, they can make all the difference.

Because of their proactive services, CyberScout allows you to be on the offensive, rather than just the defensive, when it comes to protecting your identity. And, if you're in need of breach services, CyberScout is equipped to help. From one-on-one fraud specialist support to a full year of free credit monitoring services after your identity has been restored, you'll get the help you need to navigate through any breach and toward peace of mind.

Don't wait until you're a victim of fraud – visit our [website](#) to access tips from our experts on ways CyberScout can help keep your information secure. To learn about other lines of defense, visit [patriot-idtheft.com](#). If you need to talk with a fraud specialist, call (866) 460-1776.

For questions, please feel free to reach out to your Personal Lines field manager or underwriter.
