

Don't Forget: Scholarship Application Period Closes on May 15

There's still time for your child to apply for a scholarship through the Frankenmuth Insurance Scholarship Foundation.

This opportunity is for college juniors and seniors whose parent or legal guardian works for an agency that represents Frankenmuth Insurance or its subsidiaries, including Patriot Insurance Company. Eligible students must be seeking a degree in a career that will support the insurance industry. As a reminder, **students may submit their scholarship application and transcripts now through May 15**, which will be available until 11:59 p.m. (EDT).

The scholarship application, eligibility criteria, and submission instructions are accessible for download through Agency Services via the Scholarship tab under Resources.

Scholarship recipients and their parent or legal guardian are anticipated to be notified and announced in July.

We hope you will share this opportunity with your child. We look forward to supporting the bright futures of students for years to come!
