

Evidence of Insurance Forms Update

Based on agent feedback, Evidence of Insurance forms are now exclusively available electronically in **iBIS Agency Services**, effective immediately. This change is intended to reduce paper and handling for your agency as well as provide a digital mechanism for ease of printing and distributing to other parties as needed.

To access this document, log in to **iBIS Agency Services** and select Policy > Documents. Once there, choose a document to view and select download or print.

To comply with insurance regulations, notices will continue being mailed to additional interests who are removed by endorsement or policy cancellation.

For more information, please reference the Viewing Printable Documents job aid in **iBIS Agency Services**. This can be found by navigating to Resources > Agency Education > Viewing Printable Documents.

Should you have any questions, please reach out to your Commercial Lines field manager or underwriter.
