

Last Call! Scholarship Application Deadline Is Tomorrow

Many have started the application process for a scholarship through the Frankenmuth Insurance Scholarship Foundation, but few have completed the necessary steps to submit their application and transcripts. The good news? Your child still has time to apply!

As a reminder, **students may submit their scholarship application and transcripts now through tomorrow, Thursday, May 12, 2022**, until 11:59 p.m. Eastern Time. The scholarship application, eligibility criteria, and submission instructions can be accessed through iBIS Agency Services on the Scholarship tab, located under Resources.

This opportunity is for college juniors and seniors whose parent or legal guardian works for an agency that represents Frankenmuth Insurance or its subsidiaries, including Patriot Insurance Company. Eligible students must be seeking a degree in a career that will support the insurance industry. For more details about applicant requirements and criteria for the scholarship, please [click here](#).

Scholarship recipients and their parent or legal guardian are anticipated to be notified and announced in July 2022.

If you have any questions, please contact the Frankenmuth Insurance Scholarship Committee at scholarship@fmins.com.
