

New Form Comparison Tool for Property Enhancements

With the recent launch of our Manufacturers and Contractors Premier endorsements, Patriot Insurance Company is pleased to announce the release of a new tool to assist our agency partners in reviewing and comparing our property enhancements for new and renewal business.

Our new **Property Enhancement Form Comparison Tool** features a simple, responsive design that allows you to compare two forms side-by-side so you can easily determine the best coverage options for our mutual policyholders.

To access this new tool, visit our Agency Services site, navigate to the Resources tab and select Agency Education. Within the Commercial Lines Product Resources section, select the Property Enhancement Form Comparison Tool.

If you have any questions or feedback on this new tool, please contact your field manager or underwriter.
