

New Type of Building option added for BOP in iBIS!

On 8/13/2014, a new option titled "Building - Leasehold Only" will be available in the Type of Building Coverage drop down field on the iBIS Businessowners Property Screen.

This new building type may be used for risks where the insured is a tenant in a building they do not own but their lease agreement states they are responsible for insuring the portion of the building they occupy.

For questions related to these types of BOP risks, please contact your Underwriter or Field Manager.

If you have any technical questions, please don't hesitate to contact eBusiness Support at 1-800-234-1133 extension 3000 or send us an email at agencyServices@fmins.com.

Sincerely,

Eric Wachowicz
Director, eBusiness Services
