

Now Available: Co-op Training Video on AMP

Our cooperative advertising program is live. Are you getting the most out of it? To best serve you, we've added a co-op training video on the Agency Marketing Platform (AMP) under the Help tab to support your co-op questions and needs.

Follow the instructions below to log in to AMP and view the co-op dashboard or access the co-op training video.

1. Log in to iBIS Agency Services
2. Select Resources > Marketing > Agency Marketing Platform (AMP)
3. Enter your login information
4. From the home screen, select Co-op > Dashboard to access the co-op dashboard
5. Select Help to access the co-op training video from any screen within AMP

AMP is the hub for our cooperative advertising program, allowing you to view your fund balance, request projects, and submit for reimbursements.

Please contact marketing@fmins.com if you have any questions.
