

Patriot Insurance Breaks Ground for New Yarmouth Headquarters

Patriot Insurance is pleased to announce that ground has officially been broken on the future site of our new company headquarters in Yarmouth, Maine.

The ceremony took place on Dec. 20 at the property located at 705 U.S. Route 1 that was purchased by the company in early Fall 2016.

With a completion goal of early November 2017, site preparation has begun to make way for the new 35,000-square-foot facility with the help of building contractor Landry/French of Scarborough, Maine.

We anticipate that our new location and facility will allow our employees to better serve both Agency Partners and policyholders, and solidify Patriot Insurance as a part of the Yarmouth community.

We will keep you posted as the date for our move gets closer, as well as our plans to ensure we are available during the transition late this year.
