Patriot Insurance Company Announces Rule Changes for Commercial General Liability and BOP

Patriot Insurance Company announces rule changes for commercial general liability in Maine and New Hampshire and businessowners policies (BOP) in New Hampshire.

The Insurance Services Office (ISO) has been making incremental changes to the annual minimum payroll exposures for executive officers and individual policyholders or co-partners.

Revisions for General Liability

Patriot Insurance Company will be implementing the following changes for new and renewal general liability business:

	Old GL Payroll	New GL Payroll	Effective Date
Maine	$28,200	$35,200	11/1/2021
New Hampshire	$26,800	$33,500	10/1/2021

ISO does not review general liability payroll exposures every year, so not all states are seeing increases at this time.

Revisions for BOP

Patriot Insurance Company will be implementing the following changes for new and renewal BOP business:

	Old BOP Payroll	New BOP Payroll	Effective Date
New Hampshire	$26,800	$33,500	12/1/2021

ISO reviews BOP payroll exposures every year, so we anticipate future updates for our other states of operation not listed above.
