

Rule Changes for Commercial General Liability and Businessowners Policies

The Insurance Services Office has made incremental changes to the annual minimum payroll exposures for executive officers and individual policyholders or co-partners in various states.

New Hampshire officer payroll is changing from \$33,500 to \$41,800 on both general liability and businessowners policies. Payroll changes for general liability policies will be effective January 1, 2023, and later. Payroll changes for businessowners policies will be effective February 1, 2023, and later.
