

WHILE YOU'RE PARKED AT HOME,  
we're passing along savings.

Because you're doing your part to stay home and help keep our communities and roads safe, Patriot Insurance is pleased to provide a 15% refund for April and May premium to our personal auto policyholders for policies in force as of April 30, 2020.

Keep in mind that if you purchased your policy after April 1, 2020, renewed during the month or requested any policy changes such as a vehicle or coverage, this will affect the total premium amount as well as the refund calculation. However, if you'd like to get a sense of what your 15% refund will be, we have provided a sample calculation below for an annual policy in force as of Jan. 1, 2020.
